

VOLUNTEER & IN-KIND GIFTS

Thank you to the many generous friends who have volunteered their time, energy, and talents to help protect the places that define the Feather River region. Your volunteer work is helping to save more land, restore people's relationship to land, and create a sustainable organization that benefits our communities and this region we love. We simply could not accomplish this work without you. If we have inadvertently omitted your name, please forgive us. We are grateful.
