

### WE WANT YOU!

An energetic 16-18-year-old who enjoys working in the outdoors doing a variety of field-oriented tasks. As part of the Feather River Land Trust stewardship crew, you will be improving and maintaining public access, performing vegetation management and developing teamwork and leadership skills. Our goal is to hire one intern from Loyalton and one intern from Portola to work with our stewardship crew on the Sierra Valley Preserve.

**DATES:** June 21 - August 18, 2021

This is a 9-week program working three to four 7 ½ or 8-hour days per week.

- *Actual work schedule will vary depending on job assignment.*
- 

**SALARY:** \$15.00 per hour (summer earnings of \$3,600-4,800)

**QUALIFICATIONS:**

- Must be a high school student at either Loyalton or Portola High Schools
- Must be 16-18 years old.
- Must have a Social Security card or have applied for one.
- Must have a driver's license and vehicle at time of hire.
- Must be willing to work in a variety of conditions – heat, cold and working in and around water, and be able to lift at least 25lbs.
- Have a work permit in place at time of hire. You can coordinate with your local school to obtain one.
- **Must be available to work at least 7 of the 9 weeks.**

All applications due by April 16th, 2021.

**There are 2 ways to apply:**

**By Mail:** Please return signed application to:

Aubrey Pickerell

Feather River Land Trust

PO BOX 1826

Quincy, CA 95971

High School: \_\_\_\_\_

Most Recent Year in High School (Circle): 9th 10th 11th 12<sup>th</sup>

**Please write in complete sentences.**

1. Why do you want to be part of the Feather River Land Trust Summer Internship Program?
2. What is something you learned about yourself in the past year and how will that help you be successful as part of the Summer Internship Program?
3. What are some of your goals? How would being a part of the Feather River Land Trust help you achieve those goals?
4. How can you make this summer program a success? What strengths can you bring to the Summer Internship Program?

5. What challenges do you think you may face in this program? How do you plan on dealing with those challenges?
  
6. Participating in Sierra Valley Preserve Summer Internship is physically demanding and includes working outdoors for the duration of the program. You will be working on field projects for approximately 8 hours each day that includes, job training, educational and recreation component. Potential Duties include fence building (barbwire and smooth wire), shoveling, raking, digging, sawing, using power string trimmer, power hedger, and many other physical tasks. Do you enjoy physical activities? Give some examples of physically demanding activities you have participated in and how you will prepare for the program.

**Parents/Legal Guardians:**

I give full support for my son/daughter \_\_\_\_\_ to apply and participate in the Stewardship Summer Internship Program. I understand the attached program description, have signed below, and have discussed the program and its requirements and benefits with my son/daughter. I realize that completing this application does not guarantee my son/daughter acceptance into the program.

Signature of Parent/Guardian                                      Print Name and Relationship                                      Date

Signature of Student (if 18 yrs. of age)                                      Print Name                                      Date

For questions about the job and its duties, please contact Eastern Regional Manager, Jeff Bue at 530-836-9772 or [jbue@frlt.org](mailto:jbue@frlt.org)
