

Tell us about your plans

Name: _____

Date: _____

Thank you for notifying us that you have included the Feather River Land Trust in your estate plans. You can be proud of planning a lasting gift that will help protect and care for the vital lands and waters of the Feather River region for current and future generations.

We appreciate you filling in the information below to help us understand your plans and wishes. While not required, it is very helpful for FRLT to also receive a copy of the relevant section(s) of your estate plan or bequest documents.

Use of Your Future Gift

Unless other arrangements are made, all gifts will be dedicated to FRLT's Core Mission Fund which sustains us to deliver on our conservation, education, and stewardship mission for years to come.

Giving to our Core Mission Fund ensures FRLT can use your gift to fund the most strategic priorities at the time of need in the future, to achieve the greatest impact.

If you prefer that your gift is directed toward specific programs or priorities (such as land conservation, land stewardship, or our education programs), you may designate it for that restricted purpose.

Please confirm if you are comfortable with your gift going to our Core Mission Fund or if you would like your gift dedicated to a specific purpose:
